

Cardiology Clearance - Electrocardiogram (ECG)

In accordance with School Board Policy - 5610.05, titled Participation in Extra-Curricular Activities, as part of the High School Pre-Participation Physical, The School Board of Seminole County Florida recommends for the 2021-2022 school year that each student athlete planning to participate in high school athletics receive an electrocardiogram (ECG) screening prior to participating in any high school sport activity. This recommendation will transition to a mandatory screening for participation in 2022-2023. It is recommended that the ECG be performed by a Licensed Pediatric Cardiologist using the International Athlete Criteria.

Students Name: (print) _____ Date: _____

Sex: (circle) M / F DOB: _____ Age: _____ Grade: _____ Student ID#: _____
